# Built for comfort, made for work.

## Trisole® Comfort Technology

Cushion your feet, knees, hips and lower back from day-to-day fatigue with Steel Blue's unique soling system.

This provides a vital foundation that supports your whole body. Strategically placed pads made of high-tech PORON® are placed in the sole and under your foot's peak stress areas. This multi-density soling has been proven as much more effective in cushioning and absorbing shock than a standard footbed.

When you wear your Steel Blue boots, you know you've got the best available foot technology that's backed by our 100% Comfort Guarantee.

Endorsed by:

Steel Blue boots are the only work boots in Australia endorsed by the **Australian Physiotherapy Association (APA)**.

All Steel Blue safety boots are independently certified to major international safety standards.

- ✓ Australian Standard AS 2210.3
- ✓ American Standard ASTM F2413
